Your Design Could be on the Next Bainbridge Island Volunteer Celebration Week Button

Bainbridge Island, Wash., (March, 2015) The City of Bainbridge Island and the Bainbridge Island Community Foundation are co-hosting the second annual Bainbridge Island Volunteer Celebration on Thursday, April 16, in the Bainbridge High School Commons. The theme for this year's event will be *Celebrating a Lifetime of Service*. Like last year, in the days leading up to the event, volunteers across the Island will be wearing a button as a visual display of the power and importance of volunteers in community. This year, however, the community will have the opportunity to design the button. The winning design will be featured on the button, the City website and in a press release, and will receive special recognition from the Mayor.

2014 Volunteer Button

Button designs should be focused on the theme of “Celebrating a Lifetime of Service”, and in some way celebrate Bainbridge Island’s volunteers of all ages. Button designs must be submitted by midnight on Sunday, March 15, via email to Kellie Stickney, Community Engagement Specialist at kstickney@bainbridgewa.gov. Five finalists will also receive recognition at the event on April 16. Designs can be submitted in any format, but should be appropriate for a 2.5 inch button.

For more information on the Volunteer Celebration, or the button design contest, please contact Kellie Stickney, Community Engagement Specialist, at kstickney@bainbridgewa.gov or 206.780.3741
